Andrew: hey
Andrew: i know you read reddit
Andrew: but since oyu havent sent me a link to the skyrim screenshots that are posted
Andrew: I assume you havent seen them yet
Andrew: spoiler alert: it looks fucking awesome
me: I knew it would
me: been playing Fallout 2
me: or
me: new vegas
me: also
me: will be in NYC April 7
me: that week
Andrew: for what?
Andrew: convention?
me: speaking at rally/press conference at city hall in favor of Wikileaks
me: we might get Chomsky
me: also Gregg Housh will speak
me: he's one of five Chanology founders
me: going to make it big
me: any help would be appreciated
Andrew: i can offer oyu a place to crash
Andrew: but i may be out of town that weekend
me: I've got plenty but will definitely come by your cyberpunk/Texas apartment
me: also
me: speaking of which
me: I'm totally cyberpunk now
me: you can't deny it
Andrew: howso?
me: I've even got a half-Asian girlfriend
Andrew: so does dave
me: dude, I'm the leader of a futuristic cyber organization that's growing quickly
Andrew: pfft
me: and a figure within Anonymous Chanology faction now
me: and I have these black coates
Andrew: call me when the name of that group is derived from the name of a radical anarchist organization from a william gibson novel
Andrew: .... oh

me: that's a secret
Andrew: im going to out you on my blog
Andrew: are you drooling over skyrim screenshots yet?
me: I haven't seen them
me: because I seriously couldn't play any modern games
me: for a while
me: and now
Andrew: http://www.reddit.com/r/gaming/comments/ey5ql/the_skyrim_scans_are_here/
Andrew: 2nd comment
me: I am back on Battlefield
me: and am downloading TF2
me: we should play
me: engineers
Andrew: potentially
Andrew: let me know when yer done
Andrew: alot has changed in tf2 since you left
Andrew: there's like 2x as many hats
me: I hear
me: John offered me shit
me: I didn't know what he was talking about
Andrew: you can trade and craft
me: haven't played in a year, seriously
me: that's awesome
Andrew: and they have set items
me: my girlfriend has a sideways vagina because she is half Chinese
me: actually it is diagonal
Andrew: shouldnt it be diagonal then?
me: because she's half
me: LOL GREAT MINDS THINK ALIKE
Andrew: i see your excited about the relationship lifestyle
me: I jog with her
me: I'm a giant faggot now
me: I don't do any real drugs
me: I have dinner with some faggot girl
Andrew: your vocabulary hasnt improved
me: ok jew
Andrew: she should work on that
me: she's obviously busy working on my other more urgent faults
Andrew: never struck me as the type to get henpecked
me: I'm not yet
Andrew: sure sure
Andrew: faggot

Andrew: hahaha
me: jajajajajajajas
Andrew: being playing with brazilians i see
me: no I just like their thing better
me: you still play TF2 or what?
Andrew: yeah
Andrew: played alot over winter holiday
Andrew: i can play tonight
Andrew: tomorrow is the saints postseason game then drinking
me: I'm still downloading
me: and
me: my mom got me this fucked up phonejack-based internet by accident
me: it's kind of slow
me: but we'll see
me: I was able to play BF2
me: otherwise I can play her place, office, etc
